

Biting Fly Control and Environmental Quality – Proceedings of a Symposium
held at the University of Alberta in Edmonton, May 16, 17, and 18, 1972.

The proceedings of this symposium, which was organized jointly by the Department of Entomology at the University of Alberta and the Advisory Committee on Entomology of the Defence Research Board, have been published. The proceedings are available and have been distributed to participants. Extra copies are available to participants and others at \$2.00. It will save mailing costs, office work and bookkeeping if, wherever possible, orders from an institution are consolidated and if payment could be included with orders. Orders should be addressed to the Department of Entomology, University of Alberta, Edmonton, Canada T6G 2E3.
